

Hands-Free Electronic Towel Dispenser

Product Description

With excellent cost efficiency and hands-free hygiene, the innovative Revo™ Hands-Free Electronic Dispenser brings peace of mind and a competitive advantage to any facility. With an industry-leading ultra-quick, ultra-quiet automatic dispense, this unit keeps people moving in high-traffic washrooms. A unique energy hibernation feature significantly extends battery life and reduces maintenance needs. Reliable and robust, this dispenser's low maintenance design includes a stub roll transfer feature for 100% use of paper and zero waste. Three different length settings control consumption as well as costs - and two dispense mode settings are available: exposed or sensor. Variable hand sensor settings allow for flexibility in placement. Offered in **stainless**, **white**, **black** and **smoke** finishes, Revo™ Hands-Free Electronic Towel Dispensers can also be ordered with a range of possibilities including branded elements, colors and finishes - all durably incorporated into the dispenser itself.

Refill the Revo™ Hands-Free Electronic Dispenser with either Revo™ Hardwound Towels in White (225815), certified to FSC® Mix (FSC® C145882) chain of custody certification, Revo™ Premium Hardwound Towels in White (325822), certified to SFI® Certified Sourcing standard or Revo™ Hardwound Towels in Kraft (225810).

Features & Benefits

- Hands-free, ultra-quiet dispensing for increased hygiene and user satisfaction
- Industry-leading quick dispensing for high traffic situations
- Energy hibernation feature extends battery life for minimal maintenance and better user experience (4 D cell batteries included in easy-to-access battery compartment)
