**Which Huskee receptacles are NSF: Standard 21 rated?**  
 All bases and lids, except BackSaver.

**Which Huskee receptacles are NSF: Standard 2 rated?**  
 Grey and white bases & lids, except BackSaver.

**Which Huskee receptacles are FDA and USDA approved?**  
 All our Huskee receptacles, from 10 to 55 gallon (except SuperKan), are made of FDA compliant material. USDA requirements for material approval are satisfied by a certification of FDA compliance.

**What temperature range can a Huskee withstand?**  
 0 - 190° F for NSF rated items, 0 - 205° F for all other Huskee receptacles.

**What material are Huskee receptacles made of?** LLDPE

**Can you store wine in a Huskee?** We recommend against using a Huskee, or other plastic waste receptacles, for wine storage. During the fermenting progress, the taste of plastic can pass into the wine.
