

HERWESAN ALL-IN-ONE

Fingerprint free, universal protective skin cream

Description:	HERWESAN ALL-IN-ONE is a white, fingerprint free and universally applicable skin protection cream. HERWESAN ALL-IN-ONE is permeable and highly effective due to the use of specific film-forming agents. It is silicone free.
Composition (INCI):	AQUA (WATER), CETYL ALCOHOL, GLYCERYL STEARATE SE, ETHYLHEXYL STEARATE, HAMAMELIS VIRGINIANA (WITCH HAZEL) LEAF WATER, POLYVINYL ALCOHOL, POLYPERFLUOROETHOXYMETHOXY DIFLUOROETHYL PEG PHOSPHATE, GLYCERIN, STEARYL ALCOHOL, ALLANTOIN, PHENOXYETHANOL, ALCOHOL DENAT., PHENYLPROPANOL, PROPANEDIOL, CAPRYLYL GLYCOL, PARFUM (FRAGRANCE), SODIUM HYDROXIDE, P-ANISIC ACID, CITRIC ACID, TOCOPHEROL
Properties:	HERWESAN ALL-IN-ONE provides an effective protection against direct skin contact with various workplace substances. It gets absorbed quickly into the skin and forms a flexible, non-slippery, permeable and invisible protecting film on the skin. HERWESAN ALL-IN-ONE is silicone-free, contains no parabens and does not cause any fingerprints after it has been absorbed into skin. The formulation contains witch hazel extract and can also be used under gloves.
Fields of application:	HERWESAN ALL-IN-ONE is a special skin-protecting preparation against both, water and non-water based substances as well as not clearly defined skin exposures. HERWESAN ALL-IN-ONE is universally applicable and is suitable for all working situations with changing workplace hazards, especially if fingerprints need to be eliminated. HERWESAN ALL-IN-ONE is recommended especially with activities like precision engineering, with plastics, electronics and in the computer industry.
Use:	Always wash and dry the skin thoroughly before applying the cream. Be sure to apply the cream carefully between the fingers and around the nails. HERWESAN ALL-IN-ONE is suitable for use on the face.
Regulatory framework:	HERWESAN ALL-IN-ONE is subject to the FDA and EU Cosmetics Regulation and corresponds to it in the currently valid version. Labeling in accordance with the Ordinance on Hazardous Substances is not required.
Storage and shelf life:	HERWESAN ALL-IN-ONE is stable in closed containers at room temperature for 30 months (from the date of manufacture). The respective expiry date is indicated on the packaging.
Packaging size:	100 ml tube, 1000 ml hard bottle, 1000 ml pouch bottle, 1000 ml VIVA dispenser cartridge
Disposal:	The cardboard and plastic packaging can be added to the local recycling.
